

Chulalongkorn – Fall 2014

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	\$1,700	Self-catered University housing. There are available private accommodations that are sponsored by the university, but the price range varies greatly.
Estimated Cost for Meals	\$1,500	Students are expected to provide their own meals
Books	\$180	
Passport	\$135	
Airfare	\$1,800	Roundtrip to Bangkok
Local Transportation	\$375	
Visa	\$330	
Miscellaneous Spending	\$1,800	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Total	\$7,820	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
