Temple University Japan - Academic Year 2014-2015

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	$8,800	Students may live in campus housing, independent housing, or a homestay if they have studied Japanese already
Estimated Cost for Meals	$6,000	May be lower for students choosing a homestay
Books	$750	
Passport	$135	
Airfare	$1,460	Roundtrip to Tokyo
Health Insurance	$196	$164 for Temple University Required Insurance, $32 for Japanese National Health Insurance
Local Transportation	$525	Approximate cost for 9-month Commuter Pass
Visa	N/A	No Visa Fee required if you are a US Citizen
Miscellaneous Spending	$6,000	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Total	$23,866	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
