

Waseda University Japan Study – Spring 2015

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	\$5,000	Homestay, includes daily breakfast and dinner
Estimated Cost for Meals	\$1,200	Approximate cost of remaining meals not included in Homestay
Books	\$300	
Passport	\$135	
Airfare	\$1,460	Roundtrip to Tokyo
Local Transportation	N/A	Included in Housing fee
Visa	N/A	No Visa Fee required if you are a US Citizen
Miscellaneous Spending	\$2,100	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Total	\$10,195	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
