

American College of Thessaloniki – Academic Year 2014-2015

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

| | Amount | Notes |
|--------------------------|----------|---|
| Housing | \$7,000 | Off-campus housing in Thessaloniki, no meals provided |
| Estimated Cost for Meals | \$4,140 | Students have to provide their own meals |
| Books | \$500 | |
| Passport | \$135 | |
| Airfare | \$1,400 | Roundtrip to Thessaloniki |
| Local Transportation | \$700 | May include public transport, but students are encouraged to purchase or rent a bicycle. |
| Visa | \$100 | |
| Miscellaneous Spending | \$3,200 | Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc. |
| Residence Permit | \$338 | Students will be required to register as residents upon arrival |
| Total | \$17,513 | |

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
