Yonsei University – Fall 2014

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

| | Amount | Notes |
|---|---|---|
| Housing (self-catered) | $1,850 | The University offers housing specifically for International Students on campus, about 20 minutes from downtown Seoul |
| Estimated Cost for Meals | $2,300 | Students will have to provide all of their own meals |
| Books | $300 | |
| Passport | $135 | |
| Airfare | $1,505 | Roundtrip to Seoul |
| Local Transportation | $150 | |
| Visa | $163 | |
| Miscellaneous Spending | $2,200 | Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc. |
| Total | $8,603 | |

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
