

Yonsei University – Academic Year 2014-2015

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing (self-catered)	\$3,700	The University offers housing specifically for International Students on campus, about 20 minutes from downtown Seoul
Estimated Cost for Meals	\$4,600	Students will have to provide all of their own meals
Books	\$600	
Passport	\$135	
Airfare	\$1,505	Roundtrip to Seoul
Local Transportation	\$300	
Visa	\$163	
Miscellaneous Spending	\$4,400	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Academic Break Expenses	\$1,700	Students staying a full academic year will be responsible for all living expenses during the break between semesters.
Total	\$17,103	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
