

University of Singapore – Fall 2014

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	\$1,500	Average price for University Hostel or Residence Hall
Estimated Cost for Meals	\$2,520	This number is based on self-catered students. This price will vary depending on whether or not the student chooses to subscribe to a meal plan.
Books	\$600	
Passport	\$135	
Airfare	\$1,470	Roundtrip to Singapore
Local Transportation	\$400	
Residence Permit Fee	\$80	
Miscellaneous Spending	\$1,772	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Miscellaneous Student Fees	\$80	Includes Student Services Fee and Health Services Fee
Total	\$8,557	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
