

University of Manchester – Spring 2014

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	\$4,000	Estimate for self-catered accommodations, meaning students would have to prepare their own meals. Meal plans can cost between \$500-2,000.
Estimated Cost for Meals (self-catered)	\$1,575	
Books	\$310	
Passport	\$135	
Airfare	\$1,130	Roundtrip from Cleveland to Manchester
Local Transportation	\$315	Buses are the best way to get around the city, as well as to and from the university.
Visa	N/A	US citizens are not required to obtain a Tier-4 Visa if they are not staying abroad for more than six months
Miscellaneous Spending	\$1,720	This could include clothes, haircuts, soap shampoo, toiletries, cleaning supplies, etc.
Total	\$9,185	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
