King's College, London: Academic Year 2014-15

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	$10,280	
Estimated Cost for Meals (self-catered)	$4,300	King's College does not offer catered residences, so students have to provide their own meals.
Books	$500	
Passport	$135	
Airfare	$1,190	Round trip through Heathrow
Local Transportation	$1,000	Certain accommodations are closer to the urban campus than others, but buying and applying credit to an Oyster Card will provide you a universal means to travel within London.
Visa	$482	US citizens are required to obtain a Tier-4 Visa if they are staying abroad for more than six months
Miscellaneous Spending (soap, shampoo, toiletries, cleaning supplies, etc.)	$4,000	This could include clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Total	$21,887	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
