University College, London – Academic Year 2014-15

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	$11,555	
Estimated Cost for Meals (self-catered)	$3,600	UCL offers accommodations with meal plans, but this will be slightly more expensive than providing your own meals.
Books	$500	
Passport	$135	
Airfare	$1,190	Roundtrip to Heathrow
Local Transportation	$820	The best way to get around the urban campus is to purchase and 'top-up' an Oyster Card, which will be your ticket for buses, trains, and the underground.
Visa	$482	US citizens are required to obtain a Tier-4 Visa if they are staying abroad for more than six months
Miscellaneous Spending	$3,320	This could include clothes, haircuts, soap shampoo, toiletries, cleaning supplies, etc.
Total	$21,602	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
