

#### University of Sheffield, Fall Semester 2014

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing (self-catered)	\$2,615	Self-catered implies the student will have to purchase and prepare their own meals
Estimated Cost for Meals	\$1,500	
Books	\$100	
Passport	\$135	
Airfare	\$1,130	Roundtrip to Manchester
Local Transportation	N/A	Buses, trains, and trams will be available for personal use but will not be necessary to commute to campus.
Visa	N/A	Students staying in the UK for less than six months will NOT need to acquire a Tier-4 Visa
Miscellaneous Spending	\$1,720	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Total	\$7,200	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
