

think beyond the possibleSM

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

University of Leeds Academic Year

	Amount	Notes
Housing (without meal plan)	\$7,240	Prices vary between accommodations. Also this amount will increase should a student choose to pay for their accommodation's meal plan
Estimated Cost for Meals (self-catered)	\$3,225	
Books	\$350	
Passport	\$135	
Airfare	\$1,190	Round trip from Cleveland to Leeds
Local Transportation	n/a	Students will live on campus or close enough that there will be no commuter fee. Buses are available for personal travel, though.
Visa	\$482	US citizens are required to obtain a Tier-4 Visa if they are staying abroad for more than six months
Miscellaneous Spending (soap, shampoo, toiletries, cleaning supplies, etc.)	\$3,850	This could include clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Total	\$16,472	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
