

### IES Abroad Ecuador (Galapagos) – Fall 2014

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	\$3,680	Homestay, which will account for 14 meals per week
Estimated Cost for Meals	\$715	
Books	\$150	
Passport	\$135	
Airfare	\$1,400	Roundtrip to Quito
Local Transportation	\$150	
Visa	\$230	
Miscellaneous Spending	\$1,830	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Health Insurance	\$200	
Total	\$8,490	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
