University of Jordan CIEE – Spring 2015

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing	$2,600	Students will stay in a homestay, and this accommodation will include two meals per day during week days and a majority of meals over the weekend.
Estimated Cost for Meals	$1,650	Accounts for additional meals
Books	$250	
Passport	$135	
Airfare	$1,675	Roundtrip to Amman
Local Transportation	N/A	The University provides shuttle service around campus.
Visa	$100	
Miscellaneous Spending	$1,750	These can include more expensive personal purchases such as haircuts, clothes, soap, shampoo, toiletries, cleaning supplies, etc.
Insurance	$102	
Total	$8,287	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
