

Moscow State University for Humanities SRAS – Academic Year 2014-2015

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing (self-catered)	\$2,800	University accommodation with no meal plan.
Estimated Cost for Meals	\$5,500	This can vary depending on individual taste in cooking/eating out
Books	\$300	
Passport	\$135	
Airfare	\$1,105	
Local Transportation	N/A	
Visa	\$150	
Miscellaneous Spending	\$2,300	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Health Insurance	\$400	
Total	\$12,690	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
