

University of Cape Town – Academic Year

While abroad, students continue to pay their Case tuition rather than the tuition at their new institution. In addition there are several expenses students' financial aid can potentially help to fund. These are listed in the table below.

	Amount	Notes
Housing (self-catered)	\$7,300	Does not include meals
Estimated Cost for Meals	\$2,600	
Books	\$900	
Passport	\$140	
Airfare	\$1,900	Roundtrip to Cape Town
Local Transportation	\$720	Buses and trains are available to students but may not be necessary to commute to campus
Visa	\$75	All students must apply for a study permit, and if they are under 21 they will need a notarized letter of consent from a parent or guardian.
Miscellaneous Spending	\$3,000	Can include more expensive personal purchases such as clothes, haircuts, soap, shampoo, toiletries, cleaning supplies, etc.
Insurance	\$440	
	\$17,075	

All of these costs are considered academic in nature and can therefore be considered for coverage from financial aid. Other expenses that may receive aid include immunizations and additional passport and visa fees for students that are not US citizens.

Please note that personal expenses such as travel, shopping, and going out to eat will not be covered, and should therefore be planned for accordingly.
